TERMS OF SALE

- 1. This sale is a public auction sale conducted by licensed and bonded auctioneers.
- 2. All coins and medals offered in this catalogue are guaranteed to be genuine.
- 3. No Commission will be charged for executing Bids. Bidders must pay all Postage, Express and Insurance charges. These bids will be treated as your limit for each lot. In general, we start the bidding on each lot at a small advance over the next highest bid, thereby attempting to purchase the lot as reasonably as possible for you.
- 4. We cannot be responsible for any errors in bidding. Please make certain you bid on the correct lot. When bidding for items in the sale, the bidder whether bidding in person, by mail, or by agent, agrees to abide by all the terms of sale.
- 5. When identical bids are submitted, preference is given to the first received. We therefore urge you to mail your bid sheet early.
- 6. Coins, Medals, etc., are sold so much per LOT, unless otherwise stated. No lots will be broken up.
- 7. All claims for adjustments must be made in writing within 7 days after the delivery of the goods. All lots shipped remain the property of STACK'S until paid for in full. It is the buyer's responsibility, and obligation, to have the lots fully insured while in his possession. Risk of loss is on the buyer. No lots may be returned without our written permission.
- 8. The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be immediately put up and sold again. No lots will be put up out of their numerical order. The auctioneer reserves the right to refuse any bid he feels is not made in good faith.
- 9. Unknown bidders must establish credit references or deposit 25% of their bids. By bidding in this sale, even if for a corporation or another individual, a bidder personally guarantees prompt payment. We cannot accept bids from minors. By bidding in this sale, the bidder acknowledges that the purchase is not a consumer credit transaction.
- 10. Auction sales are strictly for cash and must be paid for promptly in U. S. funds. All bidders personally guarantee prompt payment. Checks are acceptable with proper identification. On any accounts past due, Stack's reserves the right to extend credit and impose periodic charges as stated on the invoice or statement.
- 11. All lots delivered in New York State are subject to applicable Sales Tax.
- 12. ANY LOTS PURCHASED BY FLOOR BUYERS MAY NOT BE RETURNED.

It's easy to bid by mail...

- 1. Check the sale catalogue against your collection for lots that you can use.
- 2. Note the lot numbers, and the prices you would pay, on the bid sheet. You will get them for less if competition permits.
- 3. Mail your bids early. It is to your advantage.

We do the rest. As your agents, we will enter your bid in a competitive "bid book." The highest bid for any lot gets it, at just slightly above the next lower bid. In case of equal bids, the first received takes the lot.

During the week following the sale date, all your lots will be forwarded together with invoice if credit has been established with us, or paid for in full.

You are completely protected by our unconditional guarantee.
